

DIRECTIONS Draw a line from the word on the left to the description that best matches it on the right.

- | | |
|----------------------|---|
| 1. surplus | a. A large arc of rich farmland; area between Asia Minor and the Persian Gulf |
| 2. irrigation | b. Production of more food than needed |
| 3. division of labor | c. A way of supplying water to an area of land |
| 4. Fertile Crescent | d. A mix of rich soil and small rocks |
| 5. silt | e. Human-made waterways |
| 6. canal | f. An arrangement in which people specialize in specific tasks |

DIRECTIONS Read each set of three vocabulary terms. Cross out the term that is not part of each set.

- | | |
